

English

- The 11 year old student learned how to properly attribute a quote to its author, understanding the importance of giving credit to the original source.
- They developed their critical thinking skills by analyzing the context in which the quote was made and how it relates to the author's life or work.
- Through the activity, the student improved their writing skills by incorporating quotes and attributions effectively in their own writing, demonstrating an understanding of plagiarism and intellectual property rights.

Encourage the student to continue exploring famous quotes from various authors and historical figures. Introduce them to literature that features notable quotes or explore writing exercises that involve creating their own original quotes.
