

English

- The student has learned to identify and understand rhyming words through the activity.
- They have improved their vocabulary by discovering new words that rhyme with each other.
- The activity has enhanced their phonemic awareness and ability to recognize patterns within words.

For continued development, encourage the student to practice creating their own rhyming words and incorporate them into short poems or stories. They can also play rhyming word games to make learning more fun and interactive.

Book Recommendations

- [Rhyming Dust Bunnies](#) by Jan Thomas: A fun and silly book that introduces children to the concept of rhyming words through a group of dust bunnies.
- [Fox in Socks](#) by Dr. Seuss: This classic book is filled with playful rhymes and tongue twisters, perfect for engaging young readers in recognizing and appreciating rhyming words.
