

Core Skills Analysis

Art

- The student learned about Viking art styles and symbols from viewing the displays at the Jorvik Viking Centre.
- Through observing the artifacts and exhibitions, the student gained an understanding of the materials and techniques used in Viking art.
- The visit likely inspired the student to create their own Viking-themed artwork, integrating elements of what they learned during the visit.

English

- The student practiced reading and interpreting informational texts at the museum, enhancing their reading comprehension skills.
- Listening to live interpretations and reading written descriptions helped the student expand their vocabulary with new historical terms.
- The interactive nature of the exhibits may have encouraged the student to engage in storytelling or descriptive writing inspired by the Viking era.

Foreign Language

- The student may have had the opportunity to learn and recognize some basic Viking language words or phrases during the visit.
- Interacting with staff or guides who speak different languages could have introduced the student to the idea of language diversity.
- Exposure to runes and inscriptions in Old Norse could have sparked an interest in studying ancient languages.

History

- The student gained a hands-on experience of Viking history by exploring recreated scenes and artifacts from that era.
- The visit likely deepened the student's understanding of the Viking timeline, from exploration to settlements and everyday life.
- By seeing historical evidence firsthand, the student had a more tangible grasp of the impact of the Viking civilization on Europe.

Social Studies

- The student learned about societal structures and roles within the Viking community through interactive exhibits.
- Exploring homes, marketplaces, and workshops provided insight into daily life and occupations of Vikings.
- Understanding the cultural practices and beliefs of the Vikings broadened the student's perspective on different historical civilizations.

Tips

To further enhance the learning from the visit to Jorvik Viking Centre, encourage the student to create their own Viking-inspired art pieces at home using various materials. Reading historical fiction books set in the Viking era can also deepen their understanding of the culture. Additionally, engaging in language learning apps or resources to explore Old Norse or other ancient languages can be a fun way to continue the Foreign Language aspect of the visit.

Book Recommendations

- [The Runaway Children](#) by Sandy McKnight: A historical fiction novel following the adventures of two siblings during the Viking age.
- [You Wouldn't Want to Be a Viking Explorer!](#) by Andrew Langley: A humorous yet informative book that educates children about the challenges faced by Viking explorers.
- [The Viking Quest](#) by Lena Schuster: An illustrated book that takes young readers on a journey through Viking history and mythology.
