

Core Skills Analysis

Music

- Emily learned about different musical instruments that were used during the concert.
- She observed the dynamics of a live performance and how various elements like lighting and stage presence contribute to the overall experience.
- Attending the concert exposed Emily to different genres of music and styles of performance.
- She gained an understanding of the impact of music on emotions and how it can create a sense of unity among concert-goers.

Tips

To further enhance Emily's experience and learning from the concert, encourage her to research more about Niall Horan's background, discography, and musical influences. Additionally, she could try exploring other concerts or music events to broaden her exposure to different artists and genres. Engaging in music-related activities such as joining a choir or learning to play a musical instrument can also deepen her understanding and appreciation of music.

Book Recommendations

- [The Sound of Silence: A History of Music](#) by Kathleen Krull: Explores the evolution of music from ancient times to modern-day, introducing young readers to different musical styles and famous musicians.
- [Music Everywhere!](#) by Maya Ajmera and Elise Hofer Derstine: A visually engaging book that showcases music from around the world, introducing children to diverse musical traditions and instruments.
- [Girls Rock: Amazing Tales of Women in Music](#) by Amplified Minds: Inspiring stories of female musicians who have made significant contributions to the music industry, empowering young readers with role models in music.
