

## Core Skills Analysis

### English

- The student can write a descriptive paragraph about their bike riding experience, showcasing their ability to narrate events and use descriptive language.
- Through bike riding, the student can practice creating dialogue between characters, possibly imagining conversations on bike rides.
- By keeping a bike riding journal, the student can work on their writing skills, practicing consistency and detail in their daily reflections.
- The student might explore writing poetry inspired by their bike rides, focusing on elements of nature and movement in their verses.

### Tips

To further develop language skills related to bike riding, encourage the student to write a short story or create a comic strip featuring a bike riding adventure. This can help them expand their vocabulary, practice structuring a narrative, and engage their creativity.

### Book Recommendations

- [Katie Woo, Where Are You?](#) by Fran Manushkin: Follow Katie Woo as she goes on bike riding adventures in her neighborhood, solving mysteries along the way.
- [The Adventures of a South Pole Pig](#) by Chris Kurtz: Join Flora the Pig in her quest for excitement and adventures, including bike rides through new and thrilling landscapes.
- [Riding Freedom](#) by Pam Muñoz Ryan: Experience the story of Charlotte, who finds freedom and courage through her love for horseback riding and the open road.
