

Core Skills Analysis

English Grammar

- The 14-year-old student has learned the basic rules of grammar, including parts of speech such as nouns, verbs, and adjectives.
- They have developed an understanding of sentence structure, including the difference between clauses and phrases.
- The student has improved their punctuation skills, with a focus on using commas and apostrophes correctly.
- Through the activity, they have enhanced their knowledge of common grammatical errors and how to avoid them.

Tips

Engaging in regular writing exercises, such as keeping a journal or writing short stories, can help reinforce grammar concepts learned during the activity. Encourage the student to read books with varied styles to expose them to diverse sentence structures and vocabulary. Additionally, practicing editing and proofreading their own work can further strengthen their grammar skills.
