

Core Skills Analysis

English

- Improved comprehension skills through analyzing character traits and motives in the book.
- Enhanced vocabulary by encountering new words and phrases within the text.
- Developed critical thinking by interpreting plot twists and anticipating outcomes.
- Expanded writing skills through expressing opinions and arguments in discussions or reflections on the book.

Tips

To further explore the themes of trust, deception, and friendship showcased in 'One of Us Is Lying,' students can engage in group discussions, debates, or even creative writing exercises where they craft alternative endings for the story. Encouraging them to write fanfiction or create book-inspired artwork can also strengthen their comprehension and imaginative skills while fostering a passion for reading.

Book Recommendations

- [One of Us Is Next](#) by Karen M. McManus: Sequel to 'One of Us Is Lying', this book explores the aftermath of the events in Bayview High with a new set of characters facing a similar high-stakes situation.
- [Truly Devious](#) by Maureen Johnson: A riveting mystery novel set in a prestigious boarding school, where a true crime podcast host uncovers dark secrets from the past while solving a modern-day kidnapping case.
- [The Mysterious Benedict Society](#) by Trenton Lee Stewart: Follow the adventures of four gifted orphans who form a secret society to infiltrate a mysterious school and unravel a plot that threatens the world's safety, blending mystery, adventure, and intelligence challenges.
