

Core Skills Analysis

English

- The 7-year-old student has learned the importance of using capital letters at the beginning of sentences to start them correctly.
- The student now understands the significance of using full stops to mark the end of a sentence and show a pause in writing.
- By practicing with capital letters and full stops, the student has enhanced their overall writing skills by creating more structured and organized sentences.
- Through this activity, the student has grasped the basic grammar rules that involve the use of capitalization and punctuation in English writing.

Tips

To further develop the understanding of capital letters and full stops, students could engage in writing short stories or sentences using these elements creatively. Encourage them to proofread their work aloud and spot errors in capitalization and punctuation. Providing fun writing prompts and games focusing on using capital letters and full stops can make learning enjoyable and effective.

Book Recommendations

- [Eats, Shoots & Leaves: Why, Commas Really Do Make a Difference!](#) by Lynne Truss: This book humorously explains the importance of punctuation, including capital letters and full stops, in a way that is engaging for young readers.
- [The Punctuation Station](#) by Brian P. Cleary: A fun and educational book that introduces children to different punctuation marks, including capital letters and full stops, through colorful illustrations and playful rhymes.
- [If You Were a Capital Letter](#) by Trisha Speed Shaskan: This book creatively explores the role of capital letters in words and sentences, making learning about capitalization entertaining for young readers.
