

## Core Skills Analysis

### English

- The 10-year-old student improved language skills by actively describing different objects or scenes.
- The student showcased enhanced vocabulary usage by detailing their observations in a descriptive manner.
- By practicing descriptions, the student honed their ability to create vivid imagery through words.
- Engaging in descriptive writing exercises helped the student communicate more effectively and express their thoughts clearly.

### Tips

Encourage the student to continue enhancing their descriptive skills by engaging in creative writing prompts. Encourage them to observe their surroundings keenly and translate what they see into detailed descriptions. Encourage the use of sensory details to make their descriptions more engaging and vivid. Provide opportunities for peer feedback and discussions to further develop their descriptive abilities.

### Book Recommendations

- [The Tale of Despereaux](#) by Kate DiCamillo: A story of a brave mouse named Despereaux who goes on a quest to save a princess, filled with vivid descriptions and engaging storytelling suitable for 10-year-olds.
