

## Core Skills Analysis

### History

- Developed understanding of key historical figures and events through gameplay.
- Enhanced knowledge of historical facts and trivia through the comparison of historical figures on cards.
- Practiced critical thinking by strategizing which historical figure's attributes to prioritize in the game.
- Stimulated interest in history by engaging with the subject in a fun and interactive way.

### Tips

Engaging students in educational games like 'Horrible Histories Top Trumps' can be a great way to make learning fun and effective. To continue developing historical knowledge beyond the game, consider incorporating related documentaries, visiting historical sites, or organizing historical debates among students. Encourage students to explore various historical periods and cultures to broaden their understanding of the subject.
