

Core Skills Analysis

Film Studies

- The student would have enhanced their understanding of cinematic techniques such as camera angles, lighting, and sound effects while watching Ghostbusters Frozen Empire.
- Analyzing the plot and character development in the movie would have improved their storytelling skills.
- Creating a mind map of the movie would have honed their critical thinking and summarization abilities.
- Identifying key themes and motifs in the film would have deepened their grasp of symbolism and metaphor in visual media.

Tips

To further develop your skills after this activity, consider exploring different genres of movies to analyze a wide variety of storytelling techniques. You can also try discussing your mind map with friends or family to gain different perspectives on the movie's narrative. Additionally, experimenting with creating your own short film or storyboards can help apply the concepts learned from this cinema trip.
