

## Core Skills Analysis

### French

- The student demonstrated an understanding of action verbs in French through the usage of verbs like 'cut', 'pour', 'mix' in the recipe. This hands-on activity allowed them to apply vocabulary in context.
- By including markers of time like 'first', 'next', 'then', the student showed comprehension of sequential order in French, enhancing their grasp of language structure.
- Writing a recipe required the student to use imperative verbs like 'add', 'mix', which helped reinforce their understanding of command verbs in French.
- The student's use of measurement words like 'cup', 'teaspoon' indicated their familiarity with common French culinary terms, expanding their vocabulary in a practical setting.

### Tips

To further enhance language learning through hands-on activities like writing recipes, encourage your child to explore different cuisines from French-speaking regions. This can introduce them to new vocabulary specific to various dishes and ingredients. Additionally, practicing recipe writing with family members or friends in French can make the learning experience interactive and enjoyable. Consider incorporating storytelling elements into the recipes to make language learning more engaging and memorable.

### Book Recommendations

- [The Usborne Language Builder French](#) by Louie Stowell: A comprehensive language resource with engaging activities suitable for young learners to improve French vocabulary and grammar skills.
