

Core Skills Analysis

Performing Arts

- Developed stage presence and confidence through performances during the pageant.
- Learned about vocal projection and articulation while delivering speeches or reciting lines.
- Developed an understanding of character development and storytelling through their performance.
- Enhanced their ability to work collaboratively with fellow performers in group acts.

Public Speaking

- Improved articulation and modulation of voice during speeches and presentations.
- Learned how to engage an audience effectively through speech delivery.
- Developed confidence in expressing ideas and opinions in a clear and coherent manner.
- Enhanced skills in persuasive communication through convincing performances.

Tips

To further enhance skills gained from participating in a pageant, students can consider taking acting or public speaking classes to continue developing their stage presence, vocal techniques, and communication skills. Engaging in drama clubs or community theater productions can provide valuable opportunities to practice and improve performance abilities. Additionally, participating in speech and debate competitions can further strengthen public speaking skills and build confidence in expressing ideas.
