

## Core Skills Analysis

### English

- The 13-year-old student grasped the importance of subject-verb agreement through interactive gameplay, enhancing their understanding of sentence structure.
- Engaging in the activity helped the student recognize common errors in subject-verb agreement, leading to improved grammatical accuracy in their writing.
- By playing the game, the student gained confidence in identifying and correcting subject-verb agreement mistakes, ultimately enhancing their communication skills.
- The activity promoted active participation, making the learning process enjoyable and effective for the student in mastering subject-verb agreement rules.

### Tips

To further develop understanding of subject-verb agreement, encourage the student to create their own interactive games or quizzes using online platforms. Additionally, incorporating subject-verb agreement exercises into daily writing practice can reinforce the learned concepts. Providing feedback and correction on writing samples will also aid in solidifying proper subject-verb agreement usage.
