

Core Skills Analysis

English

- Improved vocabulary through exposure to complex dialogues and legal terminology used in the show.
- Enhanced understanding of narrative structure by following the plot twists and character development.
- Developed critical thinking by analyzing character motives and relationships.
- Gained insights into themes of loyalty, sacrifice, and moral dilemmas through character interactions.

Music

- Recognized the role of musical scores in building suspense and emotional engagement within the scenes.
- Explored how soundtrack choices enhance storytelling and character emotions.
- Developed an appreciation for background music composition and how it aligns with on-screen action.
- Engaged with themes of hope and struggle as represented through the songs featured in emotional moments.

Science

- Learned about human anatomy and physiology through depictions of physical injuries and medical scenarios.
- Became curious about prison life and the psychological effects of incarceration on individuals.
- Gained insights into engineering principles relating to escape plans and construction of security systems.
- Understood the basics of chemical reactions through references to improvised tools and escape methods.

Social Studies

- Studied the legal system and the implications of wrongful convictions showcased in the show.
- Developed an understanding of social issues related to the prison system and its effects on families.
- Explored the historical context of prisons and law enforcement in America.
- Engaged in discussions about ethics and justice in society as depicted through various character dilemmas.

Tips

Exploration in the subjects can continue with projects or discussions analyzing the moral implications of the characters' choices, further research on the prison system, or learning about the evolution of music in television. Improvement could include writing character analyses, composing music inspired by themes from the series, and conducting scientific experiments related to concepts seen in the show.
