

## Core Skills Analysis

### Literature

- Identified key themes such as imagination and creativity within the story.
- Recognized character traits of both Willy Wonka and Charlie Bucket.
- Understood the moral lessons of kindness and the consequences of greed.
- Engaged in discussions about plot developments and character motivations.

### Math

- Practiced addition and subtraction through chocolate counting and sharing scenarios.
- Explored basic measurements by discussing the sizes of the chocolate factory's wonders.
- Introduced concepts of fractions through sharing sweets and candies.
- Developed problem-solving skills by calculating how many candies each character received.

### Science

- Learned about the transformation of ingredients into chocolate through discussions about recipes.
- Explored simple chemistry concepts like melting and solidifying chocolate.
- Engaged curiosity about food production and how sweets are made.
- Discussed the health impacts of sugar and the importance of moderation.

### Art

- Created drawings of their favorite scenes or characters from the story.
- Used colors and materials to represent different types of candies and chocolates.
- Developed creativity through imaginative play inspired by the chocolate factory.
- Participated in crafts that mimicked the whimsical world of Willy Wonka.

### Tips

To further enhance learning, students can explore the world of culinary arts by trying simple recipes like making chocolate treats at home. They can also create their own imaginary factory designs, incorporating elements they've learned from the story. Understanding where ingredients come from and how they interact can also be a fun and educational follow-up activity.

### Book Recommendations

- [Charlie and the Chocolate Factory](#) by Roald Dahl: The classic tale of a boy's adventure in a magical chocolate factory.
- [The Berenstain Bears' Jobs Around Town](#) by Stan and Jan Berenstain: Join the Bear family as they discover various jobs in their community, similar to how Willy Wonka runs his factory.
- [The Chocolate Touch](#) by Patrick Skene Catling: A modern spin on the classic Midas myth, where everything a boy touches turns to chocolate.
