

Core Skills Analysis

English

- The student has begun to recognize common objects and their names through interactive reading during the treasure hunt.
- They are developing listening skills as they follow instructions during the activity, enhancing their comprehension.
- The activity encourages vocabulary growth by introducing new words associated with the treasures being hunted.
- The student is learning the basic structure of storytelling, identifying the beginning, middle, and end as they engage with the readings.

Tips

To further enhance literacy skills, the student can be encouraged to engage in more interactive reading sessions that involve asking questions about the pictures and stories. Additionally, introducing rhymes and songs related to the treasures may foster language development and make learning more enjoyable.

Book Recommendations

- [Brown Bear, Brown Bear, What Do You See?](#) by Bill Martin Jr. and Eric Carle: A delightful book that introduces children to various animals and colors through rhythmic language and vibrant illustrations.
- [The Very Hungry Caterpillar](#) by Eric Carle: A classic story that takes children on a journey of transformation with colorful illustrations and simple text, perfect for early learning.
- [Where's Spot?](#) by Eric Hill: An interactive lift-the-flap book that engages children as they search for Spot, fostering engagement and vocabulary development.
