

## Core Skills Analysis

### History

- Mila learned about the cultural differences between Vikings and Native Americans, understanding their distinct lifestyles and traditions.
- She discovered key historical events that involve interactions between the two groups, fostering a broader perspective on early American history.
- Mila was introduced to the concept of exploration and settlement, recognizing how the Vikings traveled and established their territories.
- She engaged in discussions about the significance of trade and conflict in shaping relationships between different cultures during this time.

### Geography

- Mila identified different regions where the Vikings and Native Americans originated, learning the importance of geography in their historic movements.
- She explored maps that show Viking voyages and Native American territories, enhancing her spatial awareness of historical contexts.
- Mila understood the impact of natural resources on the settlement patterns of both groups, linking geography to lifestyle choices.
- By discussing how geography influenced the cultures and survival strategies, she learned the relevance of environmental factors to human history.

### Art

- Mila expressed her understanding of Viking and Native American art styles by recognizing distinct patterns and materials used.
- Through creative activities, she learned how art reflects cultural identity and tells stories about each group's history.
- Mila participated in making crafts inspired by Viking ships and Native American symbols, allowing for hands-on learning and expression.
- She explored the role of storytelling in both cultures, focusing on how art can be a form of communication and preservation of history.

### Tips

To further enhance Mila's learning experience, consider introducing related activities such as creating a timeline of events involving the Vikings and Native Americans. Encourage her to explore resources such as documentaries or child-friendly websites that visualize these cultures' histories. Engaging her in role-playing activities can also bring these historical figures to life, allowing for deeper understanding and connection. Additionally, integrating art projects that focus on creating replicas of artifacts from both cultures can further enrich her knowledge and appreciation.

### Book Recommendations

- [Viking Ships at Sunrise](#) by Mary Pope Osborne: Join Jack and Annie as they travel back in time to meet Vikings and explore their amazing ships.
- [The People Shall Continue](#) by Simon Ortiz: This beautifully illustrated book narrates the history and resilience of Native American peoples.
- [If You Lived With the Native Americans](#) by Ann McGovern: A captivating introduction to the lives of Native Americans, detailing their customs, traditions, and daily life.
