- Identified and discussed main characters such as Pongo and Perdita.
- Explored themes of friendship and loyalty in the story.
- Learned about the structure of a story, including beginning, middle, and end.
- Engaged in character analysis, discussing motivations and conflicts.

Animals and Biology

- Gained knowledge about different dog breeds and their characteristics.
- Discussed the importance of animal welfare and the responsibilities of pet owners.
- Learned about puppies' behavior and growth stages.
- Explored the concept of pack behavior and social structures in animals.

Art and Creativity

- Encouraged imaginative thinking through drawing favorite characters.
- Practiced storytelling skills by creating alternate endings.
- Engaged in crafting activities inspired by the film, such as making dalmatian spots.
- Developed an appreciation for animation and the creative process behind movies.

Tips

To further enhance your child's learning experience, consider incorporating educational discussions centered around the film's themes, such as kindness, friendship, and courage. Encourage them to explore similar stories through reading or watching other films with comparable messages. Activities like role-playing, where they can act out scenes from the movie or create their own stories, can also support their curiosity and narrative skills. Additionally, visiting local animal shelters to learn about dog care and adoption can strengthen their connection to the subject matter.

Book Recommendations

- [The Hundred and One Dalmatians](#) by Dodie Smith: The original classic story of Pongo and Perdita's adventures to rescue their stolen puppies.
- [101 Dalmatians: The Movie Storybook](#) by Walt Disney: A delightful adaptation of the beloved animated film, perfect for young readers.
- [Puppy Patrol: Pongo and Perdita](#) by Jessica Speer: Follow the adventures of Pongo and Perdita's puppies in this charming early reader book.
