

Core Skills Analysis

Geography and History

- Ebony developed research skills by gathering information about Dover, improving her ability to identify relevant facts from various sources.
- She gained a better understanding of Dover's geographical location, including its significance as a coastal town in England.
- The activity likely introduced or reinforced historical context about Dover, such as its role in British history, including landmarks like Dover Castle or its importance during different historical periods.
- Completing the worksheet helped Ebony practice organizing information coherently and responding to questions or prompts based on her research.

Tips

Tips

To deepen Ebony's understanding of Dover, encourage her to create a travel brochure or digital presentation highlighting key geographical and historical features of the town. Visiting virtual tours of Dover Castle or nearby White Cliffs can create an immersive learning experience. You might also explore related topics like the role of Dover in World War II or its natural geography by studying chalk cliffs and coastal erosion. Extending research to current events or economic aspects of Dover could provide a contemporary connection.

Book Recommendations

- [The White Cliffs: Dover's Story](#) by Philip Warner: An engaging exploration of the iconic White Cliffs and their historical importance to Dover and Britain.
- [DK Eyewitness Travel Guide: Dover, Canterbury and the Garden of England](#) by DK Travel: A visual guide offering maps, facts, and key sights of Dover, perfect for young learners interested in geography and culture.
- [Castle Diary: The Journal of Tobias Burgess](#) by Richard Platt: A historical diary-style book set in a medieval castle, helping readers imagine life in places like Dover Castle.

Learning Standards

- Geography KS3 (3.1): Understand physical and human features of the UK, including coastal towns like Dover.
- History KS3 (1.2): Explore historical events and sites related to British history, including medieval castles and wartime Dover.
- English KS3 (2.1): Develop research and note-taking skills using multiple sources.
- PSHE KS3 (3.3): Encourages independent learning and critical thinking through research projects.

Try This Next

- Create a fact-based quiz about Dover's history and geography to reinforce key details learned.
- Design a drawing or diorama project depicting Dover Castle and the White Cliffs.
