

## English Language Arts

- The Seventh-grade child has learned the letter-sound correspondences through the Wilson Phonics Program.
- They have mastered blending sounds together to form words.
- The child has developed their phonemic awareness and can segment words into individual sounds.
- They have also improved their reading fluency and accuracy through regular practice.

To further develop their phonics skills, the child can engage in activities like creating their own word lists and playing word-building games. They can also practice reading aloud with a variety of texts to strengthen their fluency and comprehension.

## Book Recommendations

- [The BFG](#) by Roald Dahl: A heartwarming story about the friendship between a young girl named Sophie and a Big Friendly Giant.
- [The Lion, the Witch and the Wardrobe](#) by C.S. Lewis: Join four siblings as they enter a magical world through a wardrobe and embark on a thrilling adventure.
- [Hatchet](#) by Gary Paulsen: Follow the story of Brian, a young boy who must survive alone in the Canadian wilderness after a plane crash.
