

Activity: "My child unprovoked gave historical facts about the Lincoln assassination"

History

- The child demonstrated knowledge of the Lincoln assassination, showing an understanding of the historical event.
- They were able to provide specific details about the assassination, such as the date, location, and the name of the assassin.
- The child showed an awareness of the impact of the assassination on American history and the significance of Abraham Lincoln's presidency.
- They displayed an ability to articulate their knowledge in a concise and coherent manner.

Social Studies

- The child demonstrated an understanding of the social and political context in which the Lincoln assassination took place.
- They showed an awareness of the role of John Wilkes Booth in the assassination and his motivations.
- The child displayed an ability to connect the Lincoln assassination to broader topics in social studies, such as the Civil War and the impact of historical events on society.
- They showed curiosity and a desire to learn more about historical events and their significance.

Encourage the child to continue exploring historical events and figures that interest them. Provide them with age-appropriate books, documentaries, and online resources that delve deeper into topics related to the Lincoln assassination and American history. Encourage them to engage in discussions with family members or friends who may have additional insights or knowledge. Additionally, encourage the child to think critically and form their own opinions about historical events, encouraging them to explore different perspectives and interpretations.

Book Recommendations

- [Who Was Abraham Lincoln?](#) by Janet B. Pascal: This book provides an accessible introduction to the life and legacy of Abraham Lincoln, including details about his presidency and the events leading up to his assassination.
- [Abe Lincoln's Hat](#) by Martha Brenner: This illustrated book explores the life of Abraham Lincoln through the lens of his iconic hat, offering a unique perspective on his presidency and the challenges he faced.
- [A Picture Book of John Wilkes Booth](#) by David A. Adler: This picture book provides an age-appropriate introduction to the life of John Wilkes Booth and his role in the Lincoln assassination, helping children understand the complexities of historical events.
