

## English Language Arts

- The child learned about character traits through the main character, Pig the pug, who is selfish and greedy.
- The child practiced making predictions by guessing what Pig might do next based on his personality traits.
- The child developed vocabulary skills by encountering new words such as "pug" and "greedy" and discussing their meanings.
- The child improved their reading comprehension by summarizing the main events of the story.

For continued development, encourage the child to write their own story featuring a different animal with a unique personality. They can use their imagination to create exciting adventures for their character.

## Book Recommendations
