

English Language Arts

- The child has improved their reading comprehension skills by reading and understanding the story of Mary Poppins.
- Through reading Mary Poppins, the child has expanded their vocabulary by encountering new words and phrases.
- The child has developed their writing skills by summarizing the main events of the story in their own words.
- By reading Mary Poppins, the child has gained an appreciation for classic literature and storytelling.

Continued development can be encouraged by engaging the child in creative activities related to Mary Poppins. They can create their own illustrations for certain scenes, write alternate endings or sequels to the story, or even perform a dramatic reading of their favorite chapter. Encouraging the child to explore other books by P.L. Travers or other classic children's literature authors can also help foster their love for reading and language skills.
