

Foreign Language

- The child has learned basic Polish vocabulary and phrases through the Duolingo Polish activity.
- They have gained an understanding of Polish grammar rules, such as verb conjugation and sentence structure.
- The child has practiced pronunciation and listening skills by listening to audio recordings and repeating words and sentences.
- They have also learned about Polish culture and traditions through the provided cultural notes and lessons.

Social Studies

- Through the Duolingo Polish activity, the child has gained knowledge about the history and geography of Poland.
- They have learned about important historical events and figures of Poland.
- The child has explored Polish customs and traditions, enhancing their cultural understanding.
- They have also developed an appreciation for the diversity of languages and cultures around the world.

Continued development can be encouraged by engaging in conversations with native Polish speakers, either through language exchange programs or online language forums. Watching Polish movies or TV shows with subtitles can help improve listening skills and provide exposure to authentic language use. Additionally, reading books or articles in Polish, even at a beginner level, can expand vocabulary and comprehension.

Book Recommendations
