

Art

- Felix observed and visually recognized the movements and actions of the skibidi toilet on the TV.
- Felix may have developed an understanding of shapes and colors through the artistic elements of the skibidi toilet.
- Felix may have been exposed to different forms of art and creativity by watching the skibidi toilet on the TV.
- Felix might have developed an interest in exploring and imitating the movements of the skibidi toilet in his own artistic expressions.

Encourage Felix's artistic development by providing him with various art materials such as crayons, markers, and paper. Encourage him to create his own skibidi toilet artworks or explore other subjects that interest him. You can also introduce him to different art techniques and styles through books, online resources, or by visiting art galleries or museums.
