

## Art

- The child learned about the aesthetics of Roman armor and how to recreate it using simple materials like cardboard and paint.
- They developed their fine motor skills by cutting, folding, and gluing the pieces of the soldier's armor together.
- They explored various color combinations and patterns to make their Roman soldier visually appealing.
- They learned about the importance of attention to detail and accuracy while creating the soldier's uniform and accessories.

## English Language Arts

- The child practiced their descriptive writing skills by writing a short story or a paragraph describing the life and role of a Roman soldier.
- They used vocabulary related to Roman history and military to enhance their writing.
- They developed their communication skills by presenting their Roman soldier to the class and explaining the significance of each element.
- They engaged in research to gather information about Roman soldiers and used credible sources to support their learning.

## History

- The child gained a deeper understanding of the Roman Empire and its military structure by studying the role and importance of Roman soldiers.
- They learned about the different ranks and positions within the Roman army.
- They explored the tactics and strategies used by Roman soldiers in battles.
- They developed an appreciation for the historical context and significance of Roman soldiers in shaping ancient civilizations.

## Music

- The child explored and learned about ancient Roman musical instruments used during military processions and ceremonies.
- They created their own Roman soldier march or anthem using simple rhythm patterns and melodies.
- They learned about the role of music in boosting morale and instilling a sense of unity among Roman soldiers.
- They developed an understanding of the cultural significance of music in ancient Roman society.

## Physical Education

- The child engaged in physical activity by mimicking the movements and stances of a Roman soldier during training or battle.
- They developed their coordination, balance, and strength through practicing various Roman soldier drills.
- They learned about the importance of physical fitness and discipline for soldiers in ancient times.
- They gained an appreciation for the physical demands and challenges faced by Roman soldiers.

## Science

- The child learned about the materials used in creating Roman armor and the properties that made them effective for protection.

- They explored the concept of force and impact by understanding how armor reduces the impact of weapons on the body.
- They studied the science behind metalworking and how it played a role in creating Roman soldier equipment.
- They developed an understanding of the scientific principles applied in ancient military technology.

### **Social Studies**

- The child gained an understanding of the social structure in ancient Rome and the role of Roman soldiers within that structure.
- They explored the daily life of a Roman soldier, including their duties, responsibilities, and living conditions.
- They learned about the impact of the Roman army on the expansion and maintenance of the Roman Empire.
- They developed an understanding of the cultural, political, and economic aspects of ancient Roman society.

Continued Development Tips: Encourage the child to research and explore other ancient civilizations and their military history. They can create soldiers from different time periods and compare and contrast their uniforms, weaponry, and roles. Additionally, they can further develop their writing skills by creating a diary or journal from the perspective of a Roman soldier, imagining different scenarios and challenges they may have faced.

### **Book Recommendations**

- [The Roman Army: The Greatest War Machine of the Ancient World](#) by Chris McNab: This book provides an in-depth look at the organization, equipment, tactics, and history of the Roman army.
- [If I Were a Roman Soldier](#) by Ruth Thomson: This interactive book allows children to imagine themselves as a Roman soldier and learn about their daily life, training, and battles.
- [The Romans: Gods, Emperors, and Dormice](#) by Marcia Williams: This illustrated book combines humor and facts to introduce children to various aspects of Roman life, including the Roman army.
