

English Language Arts

- The child has learned the difference between common and proper nouns.
- They have practiced identifying common and proper nouns in sentences.
- The child has learned how to capitalize proper nouns.
- They have gained an understanding of the importance of using proper nouns in writing.

Continued development can be fostered by encouraging the child to create their own sentences using common and proper nouns. They can also be given opportunities to identify common and proper nouns in everyday situations, such as reading signs or labels. Additionally, incorporating games or other interactive activities where the child has to sort common and proper nouns can make the learning experience more engaging and enjoyable.
