

Music

- The child learned the melody and lyrics of the song "If you're happy and you know it."
- The child practiced rhythmic skills by clapping hands, stomping feet, and other body movements in response to the song.
- The child learned about expressing emotions through music and actions.
- The child developed their listening skills by following the instructions in the song.

For continued development, encourage the child to explore other action songs and nursery rhymes. They can create their own actions and movements to different songs and share them with others. Additionally, they can learn about different musical instruments and try playing them along with the song.

Book Recommendations
