

English Language Arts

- The child learned about the days of the week and months of the year through the calendar activity.
- They practiced reading and understanding written instructions for completing the calendar.
- The child improved their vocabulary by using words related to time and dates while discussing the calendar.
- They developed their writing skills by filling in the dates and events on the calendar.

Continued development can be fostered by encouraging the child to create their own monthly calendars. They can be given prompts or themes for each month and asked to incorporate relevant events or holidays. This activity will allow them to practice their writing, creativity, and planning skills while reinforcing their understanding of time concepts.
