

Art

- Inari learned about coloring within the lines while coloring in the Lorax.
- Inari developed fine motor skills by cutting out the Lorax body parts.
- Inari practiced spatial awareness by pasting the body parts together in the correct order.

English Language Arts

- Inari engaged with a popular children's book, "The Lorax" by Dr. Seuss, improving reading comprehension.
- Inari explored storytelling by creating a visual representation of the Lorax character.
- Inari enhanced vocabulary through exposure to words and phrases from the book.

Science

- Inari learned about environmental conservation and the importance of taking care of the earth through the message of "The Lorax".
- Inari identified the Lorax as a fictional character and understood the concept of fictional storytelling.
- Inari recognized the role of trees and their significance in maintaining a healthy ecosystem.

For continued development, encourage Inari to explore other craft activities related to books, such as creating puppets or dioramas based on different stories. This will further enhance creativity and imaginative thinking.
