

History

- The child learned about the historical background leading up to the "Football War" between El Salvador and Honduras in 1969.
- They understood the role of the football match between the two countries as a trigger for the conflict.
- The child learned about the main events and consequences of the war.
- They also explored the impact of the war on the relations between El Salvador and Honduras.

For continued development related to the activity, the child could create a timeline of events leading up to the "Football War" and its aftermath. They could also research other instances where sports have played a role in political conflicts and compare them to the "Football War". Additionally, the child could interview individuals who lived through the war or have personal connections to the conflict to gain a deeper understanding of its impact.

Book Recommendations

- [The Soccer War](#) by Ryszard Kapuscinski: This book provides an in-depth account of the "Football War" and its consequences, offering historical context and personal experiences.
- [El Salvador in the Aftermath of Peace: Crime, Uncertainty, and the Transition to Democracy](#) by Ellen Moodie: While not exclusively focused on the "Football War", this book explores the long-term impact of the conflict on El Salvador and its society.
- [One Night in March: A True Story of Death and Survival in El Salvador's Football War](#) by Bill Belleville: This book tells the true story of four American journalists who got caught in the middle of the war while covering the football match, providing a unique perspective on the events.
