

Music

- Learned about different styles of music through the various songs in "The Greatest Showman" movie.
- Explored the elements of music such as melody, rhythm, and harmony through the movie soundtrack.
- Developed an appreciation for musical theater and the use of music to tell a story.
- Gained an understanding of how music can evoke emotions and enhance the overall storytelling experience.

For continued development, the child can explore other musicals and their soundtracks, participate in school or community theater productions, or even try writing their own songs or musical compositions.

Book Recommendations

- [The Greatest Showman: The Official Companion to the Hit Film](#) by Signe Bergstrom: This book provides behind-the-scenes insights, interviews, and stunning visuals from the movie, allowing the child to further immerse themselves in the world of "The Greatest Showman."
- [Barnum's Bones: How Barnum Brown Discovered the Most Famous Dinosaur in the World](#) by Tracey Fern: This book explores the life of Barnum Brown, a famous paleontologist who shares a last name with P.T. Barnum, the character portrayed in "The Greatest Showman." It connects the child's interest in the movie with the scientific field of paleontology.
- by Elizabeth Rusch: This book tells the story of Bartolomeo Cristofori, the inventor of the piano, and how his creation revolutionized the world of music. It ties in with the child's exploration of music and its history through "The Greatest Showman."
