

## English Language Arts

- The child demonstrated understanding of spelling words by integrating them into a creative writing activity.
- Through the activity, the child practiced vocabulary and language skills in a meaningful context.
- The child learned how to use descriptive language and poetic devices to express themselves.

Encourage the child to continue exploring poetry and creative writing using spelling words. They can experiment with different poetic forms, such as haikus or sonnets, and try writing poems on different themes or topics. This will help them expand their vocabulary and develop their expressive writing skills.
