

English Language Arts

- The child learned to identify and correct spelling and grammar errors through proofreading.
- They practiced using punctuation and capitalization correctly in their writing.
- They gained an understanding of the importance of clarity and coherence in written work.
- The activity helped develop the child's attention to detail and critical thinking skills.

For continued development, encourage the child to practice proofreading with different types of texts, such as short stories, essays, or articles. You can also incorporate peer review activities to reinforce their understanding of grammar and spelling rules.
