

## Foreign Language

- The child learned basic Spanish vocabulary and phrases through interactive exercises on Duolingo.
- They gained an understanding of Spanish grammar concepts such as verb conjugation and sentence structure.
- Practicing Spanish on Duolingo helped improve the child's pronunciation and listening skills.
- They also learned about Spanish culture and traditions through the app's cultural notes and lessons.

For continued development, encourage the child to supplement their Duolingo practice with real-life conversations in Spanish. They can also watch Spanish movies or listen to Spanish music to immerse themselves further in the language. Additionally, finding a language exchange partner or joining a Spanish-speaking group can provide opportunities for practical application of their language skills.
