

History

- The child has learned about the Ancient Greek story of "The sword of Damocles" and its historical context.
- They understand the concept of power and its potential consequences, as illustrated in the story.
- The child has grasped the idea of moral lessons and the impact of decision-making from historical narratives.

For continued development, consider incorporating interactive storytelling sessions where the child can act out different roles in historical stories. Encourage them to create their own versions of historical events, fostering their creativity and understanding of historical concepts.
