

## Social Studies

- The concept of ancient Greek myths and heroes, such as Achilles, as part of world history and culture.
- Understanding the idea of courage and bravery as demonstrated by Achilles in the story.
- Introduction to the geography of ancient Greece and the significance of the Trojan War in Greek mythology.
- Learning about the values and characteristics of Greek heroes and their impact on society and culture.

Continued development can be achieved by engaging students in hands-on activities related to Greek history and mythology, such as creating their own mythical hero or reenacting scenes from the story of Achilles. Encouraging students to draw or write about their favorite parts of the story can also promote creative thinking and comprehension.

## Book Recommendations

- [Greek Myths for Young Children](#) by Heather Amery: A collection of simplified Greek myths suitable for early readers.
