

English Language Arts

- The student demonstrated an understanding of storytelling and narrative structure through the creation of the Piggy book.
- Through the activity, the student practiced their writing skills by crafting the text of the book and developing the dialogue for the characters.
- The creation of the Piggy book allowed the student to explore their creativity and imagination, showcasing their ability to generate unique and original ideas.
- The activity fostered the development of the student's language and vocabulary as they worked to effectively communicate their ideas and story through the book.

For continued development, encourage the child to explore different genres and writing styles. They can try creating books based on different animals or characters, experiment with different points of view, and explore various literary devices to enhance their storytelling. Encouraging the child to expand their reading habits can also positively impact their writing abilities, as exposure to different styles and voices can enrich their own creative expression.

Book Recommendations

- [Pig the Pug](#) by Aaron Blabey: A humorous and engaging story about a naughty pug named Pig and his long-suffering friend Trevor.
- [Charlotte's Web](#) by E.B. White: A timeless classic that follows the friendship between a pig named Wilbur and a clever spider named Charlotte.
- [The Tale of Despereaux](#) by Kate DiCamillo: A heartwarming tale of a brave mouse and his adventures in a castle.
