

## Subject verb agreement

- The student demonstrated understanding of subject-verb agreement by correctly matching singular subjects with singular verbs and plural subjects with plural verbs.
- They showed an ability to identify and correct sentences with subject-verb agreement errors.
- The student displayed improved sentence construction and articulation of ideas through the application of subject verb agreement rules.

Continued development in subject-verb agreement can be reinforced through engaging activities such as peer editing, where students can help each other identify and correct subject-verb agreement errors in their writing. Additionally, incorporating subject-verb agreement exercises in oral presentations can help students practice applying the rule in real-time communication.
