

The English football team with the most wins over Spanish teams is **Liverpool FC**. Over the years, Liverpool has had a successful history in European competitions, where they frequently face Spanish clubs.

To understand how Liverpool has achieved this, we can look at a few key points:

1. **Historical Matchups:** Liverpool's participation in competitions like the UEFA Champions League and the Europa League has led to numerous encounters with Spanish teams such as Real Madrid, Barcelona, and Sevilla.
2. **Notable Matches:** Some of the standout matches include Liverpool's memorable comeback against Barcelona in the 2019 Champions League semi-finals and their victories over Sevilla in the 2016 Europa League final.
3. **Statistics:** As of October 2023, Liverpool enjoys a solid winning record against Spanish clubs, with more victories than losses.

Other notable English teams, such as Manchester United and Chelsea, have also had success against Spanish teams, but none have surpassed Liverpool's record in this regard.

In conclusion, for fans of Liverpool and football in general, their success against Spanish teams highlights their strong legacy in European competitions.
