

# Exploring Australia's States and Their Famous Landmarks

Australia is a large country made up of six main states and two territories. Each state and territory has its own unique landmarks and attractions. Let's explore them one by one!

## 1. New South Wales (NSW)

The capital city is Sydney. One of the most famous landmarks is the **Sydney Opera House**, known for its unique, sail-like design. Another landmark is the **Sydney Harbour Bridge**, which you can walk across for great views!

## 2. Victoria (VIC)

The capital city is Melbourne. Here, you can find the famous **Great Ocean Road**, which features stunning coastal views. Don't forget to visit the **Royal Botanic Gardens** in Melbourne where you can enjoy nature.

## 3. Queensland (QLD)

The capital city is Brisbane. A famous landmark is the **Great Barrier Reef**, the world's largest coral reef system, which is great for snorkeling and diving! Another favorite is the **Gold Coast**, known for its beautiful beaches and theme parks.

## 4. Western Australia (WA)

The capital city is Perth. One landmark to check out is **Kings Park**, which has beautiful gardens and lovely views of the city. You can also visit the **Bungle Bungles** in Purnululu National Park, which are amazing rock formations!

## 5. South Australia (SA)

The capital city is Adelaide. A famous landmark is the **Barossa Valley**, known for its wine production. Another attraction is the **Adelaide Zoo**, where you can see many different animals, including pandas!

## 6. Tasmania (TAS)

The capital city is Hobart. One must-visit place is **Port Arthur**, a historic site with old buildings. Also, the scenic **Freycinet National Park** is famous for its stunning beaches and bushwalks!

## Territories

### 1. Australian Capital Territory (ACT)

The capital of Australia, Canberra, is located here. You can visit the **Australian War Memorial** and **Parliament House** to learn about the country's history and government.

## 2. Northern Territory (NT)

The capital city is Darwin. A key landmark is **Uluru** (also known as Ayers Rock), a sacred site for Indigenous Australians. Another is **Kata Tjuta**, a group of large, domed rock formations.

So there you have it! Each state and territory in Australia has something special to offer. From beautiful natural wonders to vibrant city life, there's a lot to explore in this amazing country!
