

Hi! If you have the name Shannon or know a 17-year-old named Shannon and want to find a fun or affectionate nickname, here are some popular choices:

- **Shan** - A short and sweet abbreviation, easy to say and remember.
- **Shani** - A cute and friendly variation often used among close friends.
- **Shanny** - A playful and affectionate nickname.
- **Nonnie** - A more unique, endearing option drawn from the latter part of Shannon.
- **Shan-Shan** - A fun, repetitive nickname often used to show affection.
- **Shay** - A modern and catchy derivative that sometimes works as a nickname for Shannon.

These nicknames can be used by friends and family as terms of endearment or just casual, friendly names. When choosing a nickname, it's always good to check if the person likes it!
