

"Shelly" is a cute and friendly name on its own, but there are several nicknames that people often use, especially for someone around 17 years old. Here are some popular and creative options:

- **Shell:** A simple and shorter version, easy to say and casual.
- **Shells:** Adds a playful and affectionate tone.
- **Shez:** A fun, trendy nickname that sounds energetic.
- **Elle:** Using the middle sound of "Shelly," this nickname has a modern, sleek vibe.
- **Shelly-Belly:** A cute, rhyming nickname often used among close friends or family.
- **Shay:** A fresh twist that can personalize the name.

When choosing a nickname, it's important to consider what feels comfortable and natural to the person. Nicknames often reflect personality, so discussing options with Shelly herself can help find the perfect fit!
