

## 10 Fun Objects That Start with the Letter O for Kids

Learning new words is fun, especially when you can find things around you that start with a certain letter. Here are 10 objects that start with the letter **O** to help kids learn:

1. **Orange** – A juicy, sweet fruit that is orange in color.
2. **Owl** – A bird that is awake during the night and has big eyes.
3. **Octopus** – A sea creature with eight arms.
4. **Oven** – A kitchen appliance used for baking and cooking food.
5. **Oil** – A liquid used for cooking or lubricating machines.
6. **Otter** – A playful animal that lives near rivers or oceans.
7. **Orange Juice** – A drink made from oranges.
8. **Ornament** – A decoration, often used during holidays.
9. **Ox** – A large animal used to help farmers with heavy work.
10. **Ocean** – A vast body of salty water that covers much of the Earth.

These objects are great examples that help kids recognize the letter O and build their vocabulary by associating letters with familiar items.
