

When discussing semen or cum, there are several alternative names people use, ranging from scientific to slang terms. Here are some common ones:

- **Semen** - The medical term for the fluid containing sperm.
- **Ejaculate** - The fluid released during ejaculation, similar to semen.
- **Sperm** - Refers specifically to the reproductive cells within semen.
- **Spunk** - A common informal slang term.
- **Jizz** - A slang term, often used in casual contexts.
- **Cum** - An informal term for semen.
- **Seed** - A poetic or colloquial expression for semen.
- **Man juice** - A humorous slang phrase.
- **Love juice** - Another informal, affectionate term.

It's important to consider context and audience when using these terms, especially choosing the appropriate term for formal or informal settings.
