

Hi! A riddle is a funny little question that makes your brain try to guess. Here are three one-line riddles about an apple — read each line and try to guess the answer!

1. I am round and crunchy and can be red, green, or yellow — what am I?
2. I grow on trees and sometimes help make a pie — what fruit am I?
3. Teachers often say “an ___ a day” to keep the doctor away — what fruit fills the blank?

Answers: apple, apple, apple.
