

# Adjectives for an Elephant's Trunk (for 6-year-olds)

An elephant's trunk is a long, useful nose that can do many things. Here are lots of simple words you can use to describe it.

## Words to describe an elephant's trunk

- long
- strong
- bendy
- flexible
- wrinkly
- smooth
- rough
- soft
- powerful
- gentle
- careful
- curious
- clever
- helpful
- useful
- sticky
- wet
- curled
- thick
- thin
- sensitive
- grabby
- twisty
- tippy (it can tip things)

## Short example sentences

- The elephant uses its long trunk to drink water.
- His trunk is strong and can lift heavy things.
- The wrinkly trunk is gentle when it touches a baby.
- The curious elephant lifts its trunk to sniff the air.

## Fun activity

1. Pick three adjectives from the list (for example: long, bendy, gentle).
2. Draw an elephant and show the trunk how it looks with those words.
3. Write one sentence about your drawing, like: "My elephant has a long, bendy, gentle trunk."
4. Act it out: pretend your arm is a trunk — try being gentle, then strong, then curious.

Have fun describing and drawing! You can mix the words to make your own funny or kind elephant

stories.
