

What is a Double Decker Bus?

A double decker bus is a special kind of bus that has two floors! Imagine a tall bus where you can sit up high, just like being on a big tower! This bus takes many people to different places, like school or the park.

Why is it Special?

- 1. Tall and Fun:** You get to sit on the top floor and see the city from high up! It's like having a fun bird's eye view!
- 2. Lots of Friends:** Double decker buses can carry a lot of people, so you can ride with many friends or families.
- 3. Cool Colors:** These buses can be painted in bright colors and designs, making them look really nice and easy to spot!

How Does It Work?

The driver sits in the front of the bus, and when the bus stops, people can get on and off. To go to the top, you use a staircase inside the bus. It's just like climbing stairs in your house!

Where Can You See Them?

You can see double decker buses in some big cities, they are very famous in places like London! Riding one can be a grand adventure!

So next time you see a double decker bus, remember it's a big bus with two floors filled with people having fun!
