

What is a Soccer Player?

A soccer player is someone who plays soccer, which is a popular sport played all around the world. Soccer is played by two teams, and each team usually has 11 players. The main goal of the game is to kick the ball into the other team's net to score goals!

Roles of a Soccer Player

Each player on the soccer field has a special job, and here are some of them:

- **Forward:** These players try to score goals. They are really fast and skilled at shooting the ball!
- **Midfielder:** This player helps both the defense (to stop the other team from scoring) and the forwards (to help score). They run a lot and pass the ball.
- **Defender:** Defenders work hard to stop the opposing team from getting close to the goal. They use their bodies to block the other players and take the ball away!
- **Goalkeeper:** The goalkeeper is the only player allowed to use their hands (but only in the goal area). They try to save the ball from going into the net.
